

# MJ's Event Services Ltd - Sustainable Procurement Policy

MJ's Event Services are committed to a sustainable procurement policy for the products and services that we offer. The guidelines and principles of this policy are as follows:

- To provide materials that are, where possible, the most sustainable within their product category.
- To ensure that products supplied are not just labelled as recyclable but have a clear recycling pathway this is credible and measurable.
- To prioritise the listing of sustainable and recyclable products.
- To review suppliers technical data sheets to ensure the composition of products and their suitability for recycling is as described.
- To work in collaboration with our supply chain to identify new opportunities for sustainable products and services.
- Suppliers to provide their own environmental policies to our organisation to demonstrate their commitment to a sustainable supply chain.
- To continually explore the supplier market to identify best practice and product offerings.
- To review our Sustainable Procurement Policy annually to ensure that it remains most relevant to the business
